Judicial review — Powers and jurisdiction of constitutional courts/supreme courts — Types of constitutional courts/supreme courts

General Editors: Rainer Grote, Frauke Lachenmann, Rüdiger Wolfrum.

Managing Editor: Ana Harvey

1 The research aim to compare constitutional courts and supreme courts (both might be summarized as last-instance courts) touches upon a number of issues relevant for comparative constitutional law, such as the civil law-common law divide, constitutionalism, court organization, or the division of powers, both horizontally (legislative, executive, and judiciary) and vertically (ie a federal division of powers). Even though history suggests that a migration of constitutional ideas (Perju 1304 et seq) has spread those ideas on a global scale (borrowing and migration...
